

Advantages and Limitation of Documentation of a Survey Translation and Monitoring Process

Dorothee Behr, Steve Dept, Elica Krajčeva

18.5.1 The Documentation Environment: the Translation and Adaptation Follow-up Form

The Translation and Adaptation Follow-up Form (TAFF) contains the integrated input and output documentation in ESENER-2.

- *TAFF*: the English Master version is pre-entered in the first column and separate columns are assigned to each role in the central worksheet.
- *Specific terminology, General hints & terms* and *Instructions* are in separate worksheets.

Click here to download TAFF.
