Bank details	Bank account number (IBAN, if you have it) Bank SWIFT code (if available) Name and address of the bank (branch address) Name of the holder of the bank account OR PayPal address

Job description

cApStAn's project manager must have sent you a purchase order which looks like these:

Entity	PO number	Project code	Task	Word count	Rate	Fee
cApStAn sprl	EI17032002	PISA2018FT Verif COG	Verification Reading units [eng-MLT]	2,000	0,035	70 €

PayPal:

If you wish to be paid through PayPal and want cApStAn to cover the charges, please include the charges in the invoice on as a separate line. If you're not sure what the charges are for you country, you can use for example this calculator : <http://paypalfeecalculator.paymentprocessing.cc/>

- Subcontractors' invoices for all cApStAn Europe's projects should be sent to **accounts@capstan.be**.
- For any project for cApStAn Europe, the project manager will send the fee summary to the subcontractor when the subcontractor delivers the last batch or when the project manager has finished reviewing.
- If you wish to invoice **in the middle of a project** (e.g. you wish to invoice for the first 2 batches you have finished), please ask the project manager to send you a **fee summary**.

- Reply to that mail but **CHANGE the recipient address** to accounts@capstan.be (you can address directly to Savita who is in charge of processing invoices).
- Make sure that the fee information table you received from the project manager is included in the mail (i.e. do not delete the mail thread) in order for Savita to match this information with the details in your invoice.

Invoices are paid in **45 days** from the issuance date.

INVOICING for cApStAn INC projects

⚠ If in the dispatch mail it is indicated that you should invoice cApStAn Inc., make sure to include the following information:
