

DOs and DON'Ts in Comment Writing

Please DO...	Example
...describe how the target deviates from source (rather than the other way around)	😊 “wild” added to “horse” “horse” translated as “wild horse” 😞 ENG source only reads “horse”, not “wild horse”
...make sure that the location of your intervention is clear	😊 “True” and “False” left in English in the table heading
...use back-translations whenever useful, and ALWAYS in the case of mistranslation	😊 “donkey” translated as “monkey”
... advise, if your comment is FYI only	😊 FYI: in Zedish “with backbone” and “vertebrate” have the same root word, which makes the correct answer obvious. Unchanged by Ver
... ALWAYS advise whether or not you made an intervention	😊 OK now / Unchanged by Ver 😞 Text caption not fully visible. Ver was unable to change 😞 Text caption not fully visible
... use impersonal and neutral approach	😊 Verifier feels... Changed by Ver 😞 I think... I changed
... run the spell-checker in your comments	😞 Spilling mistake corrected by Ver
... use quotation marks when referring to text	😊 The word “length” was adapted as “big”. OK 😞 The word length was adapted as big. OK
Please DON'T...	Example
...describe what it reads in the source (but rather how the target deviates from source)	😞 In ENG source it reads “book” 😞 Not “booklet” 😞 “book” translated as “booklet”
... describe the issue through the action performed by you	😞 Ver changed “house” to “building” 😞 “building” translated as “house”
... write comments that are not understandable to reviewers that do not understand the target language	😞 “քըցխ” changed to “իընշւիսլզգ” (Which term is the comment referring to? Who made the change? Why?) 😞 “building” translated as “house”
... refer to other projects	😞 Ver prefers the answering categories as used in TIMSS 😞 Ver suggests categories “ZZ”, “YY”, “WW” for better equivalency to source
... use sarcasm, criticism, exclamation marks, offensive language	😞 As usual, the Zedish team has AGAIN used as many as four different synonyms for “car”!!! while source uses same word throughout the unit 😞 Four different synonyms used for “building”. Harmonized by Ver 😞 Translation clumsy 😞 Translation not natural, better wording suggested by Ver

Please DON'T ...	Example
... describe grammar issues in great detail	😞 Possessive suffix 'si' missing. The suffix is always required if the main word is preceded by a possessive pronoun. Sometimes it can be dropped, if the 'owner' of the object is clear from context, but in this case this is not possible. 😞 Possessive suffix 'si' missing.
... use abbreviations or acronyms (except VER)	😞 BT of RO C is "donkey". Changed by ver. 😞 Back-translation of response option C is "donkey". Changed by ver.

😊 Before delivering the work, **please read your comments through once more** to make sure they are understandable also when not looking at the verified file.
